

Irish / Sunday Independent
Liam O Maoinlai 'Learn Irish' CD

CD Two

Dia Dhuit. My name is Liam O'Maoinlai and I want to welcome you back to the Irish Independent and Sunday Independent's Irish language CD course. There are no books required for this course. Simply sit back and prepare to learn, or relearn, a range of Irish-language expressions that you can then use in your everyday life.

The featured words and phrases are again easy to learn, and this disc follows on from CD1. It features 6 lessons lasting approximately ten minute each, and I will speak the phrase in English and then I'll say the same thing in Irish. After that, there'll be a pause for you to practice saying the words in Irish yourself. I will then go on to the next phrase.

So, sit back, learn and enjoy!
